This week at Fair Furlong

Phase 3 Performance - This week Phase 3 presented their end of year musical, *Treasure Island*. All of the children involved persevered through the heat to produce a truly brilliant show. Thank you to all of the parents for your support with costumes and props and I am sure that all who saw the show will agree that the children did a fantastic job.

TODAY IN SCHOOL everyone paid £1 to wear brightly coloured clothes representing the World Cup football teams. We raised a fantastic £500 which buys 25 'School in a Bag' bags which will be distributed to help poor, orphan, vulnerable and disaster affected children throughout the world.

On 19th July a representative from the School in a Bag charity will come into school to help our children pack these bags.

Thanks to all our families for their support.

Frizbee Session - A big well done to Nigella class, who were this term's Daily Mile winners. The class were lucky enough to spend their Friday morning enjoying an ultimate

frisbee session! Nigella loved learning this game and had a brilliant attitude towards trying something new.

Merit's awarded for outstanding achievement throughout this week:

Madalina Ghergel*

Trust: Nia Shaji

*Enthusiasm: Isabella Webber; Ford Griffin;

Warning!!! 'Internet pornographers have infiltrated a children's gaming site called Roblox. The imagery that children can be exposed to is sexually violent and extremely disturbing.

Roblox is designed to be an accessible site for children. But whilst the games are aimed at 8-18 year olds, there are no age restrictions for users. This means both adults and young people can play and communicate with each other on the platform.

All games are multiplayer and include a written chat feature, which is visible to players within each individual game. Users can also make and receive friend requests during gameplay and this means that they can chat to each other outside of the game.

There is also a section where players use their imagination and skills to create their own games and share these with others. The ability to create and play games can be very appealing to young people who like to create the content they see. However, because content is user-generated it can mean that some games might not be appropriate for young children. For example, whilst the graphics are not very life like, some of the games feature weapons and blood, and recently, sexual violence.

The game has become increasingly popular and schools are advised to make parent/carers aware of the risks of accessing it. Measures that parent/carers should be aware of include:

1. Teach children to speak about anything they see online that is disturbing or upsetting.
2. Make sure you and your children know about block and report functions on the site and can use them.
3. Find out about parental controls and use them, including additional settings for the under 13s.
4. Consider blocking access the site altogether.

Here is some detailed advice on the matter from the UK Safer Internet Centre:

And remember to dress for the weather - this is an outdoor event, so be prepared for changes in weather.

Film programme (26 & 29 July):

A Grand Day Out - 10.30am

"Wallace and Gromit enjoy a day out with a difference when a quest to find cheese prompts a visit to the moon. Despite a few hiccups with their homemade rocket, the duo makes a successful lunar landing, arriving just in time for lunch."

The Wrong Trousers - 12pm

"When money troubles prompt Wallace to take in a lodger, life at West Wallaby Street gets complicated for poor Gromit. Forced out of his room to make way for a cool-as-a-cucumber penguin called Feathers McGraw, it's not long before he feels well and truly usurped as Wallace's faithful companion."

A Close Shave - 2pm

"Business is booming for Wallace and Gromit's now window-cleaning service and life's pretty dandy at West Wallaby Street, especially when the new venture introduces Wallace to the fragrant Wensdellene, owner of the local wool shop – and a rather ferocious nullo named Preston."

A Matter of Loaf and Death - 4pm

"Another day dawns at West Wallaby Street and Wallace and Gromit are up with the birds, making bread for their latest enterprise – the 'Top Bun' bakery. With robotic kneading arms in place (another of Wallace's madcap inventions) and a windmill on the roof, they've got a very professional set-up going."
