## 30 June 2017

### This week at Fair Furlong

Just a reminder that the school is closed Friday 7<sup>th</sup> July for inset

Next week is sports days for all years, hopefully the weather will be favourable and we look forward to seeing as many of you as possible to support your children. The detail are as follows:

Phase 3 (Years 4,5,6) - Monday 3<sup>rd</sup> July 9am

Phase 2 (Years 1,2,3,4) - Tuesday 4<sup>th</sup> July 9am

Phase 1 (Years Nursery & Reception) - Wednesday 5<sup>th</sup> July 9am

Loch Ness - Wednesday 5<sup>th</sup> July 2pm

Choir performance - Years 3,4,5 and 6 have been busy learning songs to perform for a summer concert. The songs they have learnt were themed around movies such as Beauty and The Beast. Parents and carers enjoyed the concert and the children were very proud of themselves, and rightly so!!

This is some brilliant descriptive writing from Karson Nichols in year four - very atmospheric!

'The dull, grey clouds trudged silently covering the hills of Dundry like blankets of mist. The drizzling rain fell helplessly towards the soaked, dirty streets below. People reluctantly walked to work with no umbrella to keep away the rain, as other people were keeping warm in their cars. The ground was awash with the dirty water. When the miserable people walked on the pavement, the bus came by, whoosh! They're drenched, covered from head to toe in the drowsy rain!'

*Reception Beach Day - Reception have had a wonderful day outside in the Early Years Garden, celebrating seaside fun! We played beach games, danced to beach music and searched for numbered shells in the sand. The children enjoyed doing seaside art with beach materials and taking photos of their wonderful creations! A great day had by all!*

*Mr Parcell's Building workshop - Year one were very lucky to have a builder's workshop with Mr Parcell. He taught us how a cement*

*mixer works and we had a go at brick laying. We had to make sure the bricks were level using a spirit level so we didn't end up with a wonky house! We also had a go at plumbing ensuring the pipes in the house were connected properly so we had no leaks. We even had a go at using a drill to make holes in a large piece of wood. We had so much fun and we all want to become builders!*

*Art Club - This week in art club the children drew around stencils of African animals onto t-shirts and then coloured them in with bright and colourful patterns using fabric pens.*

*Olympic Swimmer! - Our year 6 classes were lucky enough to meet Olympic swimmer Jemma Lowe at Hengrove Pool on Thursday this week, she even joined them for a swim!*

*This year's Phase 3 Performance is going to be Robin Hood! The performances will be at 9.15 am on Tuesday 11th July and 5.30pm on Wednesday 12th July. The tickets are now available from the school office. Due to the popularity the performances are I'm afraid we can only offer 2 tickets per family in the first instance, if you require more we can add your name to a reserve list - please just let the office know.*

***Pupil absence** - If your child is going to absent from school we politely request that you contact school on the morning of the absence to inform us of the reason for absence. You can contact school by: Tel: 01173 772181, Mobile: 07722174828, Facebook group 'fair furlong primary school or email [fairfurlongp@bristol-schools.uk](mailto:fairfurlongp@bristol-schools.uk)*

#### ***Medical appointment***

*If your child has a medical appointment then please bring a copy of the letter/text/email message confirming their appointment to the school office - we can then authorise your child's absence from school during this time. We encourage all children to come back to school following a medical appointment where possible.*

#### ***Planned absence***

*If you are planning to take your child on a planned absence/holiday during school time we request that you complete a planned absence form (available from the school office) at the earliest opportunity.*

### Emotional Health and Well Being

All children and adults have emotional health and well-being. Our school has been chosen to take part in a pilot project and we have elected a Head of Wellbeing, Miss Cooper. The project has been commissioned by Public Health England and has been developed to help improve mental health and well-being across the school. You will hear more about this project as the academic year 2017-18 progresses.

The project is being evaluated by a group of Bristol based Educational Psychologists. This involves a set of simple questions being asked to the school adults and children. We will be sending out a letter next week regarding this. If you DO NOT want your child to participate in the evaluation then please send the slip back. If you are happy for your child to be part of the evaluation then you do not need to do anything.
