## This week at Fair Furlong

### NO AFTER SCHOOL CLUBS TUESDAY 18<sup>TH</sup> JULY OR THURSDAY 20<sup>TH</sup> JULY

*Ph3 Performance - The phase three children have put on their performance of Robin Hood this week. Despite a ropey dress rehearsal, the children really pulled it out of the bag and produced two stunning performances. We are immensely proud of what they have done and we are sure that all of the parent's and families who attended had a great time. Thank you to everyone who supported the children with learning lines and songs and sending in costumes, you all helped to make the performances a real success.*

*Countryside Day - On Wednesday Year 3 visited the North Somerset Showground for Countryside Day, they had a great day. Here is Fallon Blackmore's superb newspaper report all about the day:*

### Introduction

*'Early in the morning the year 3's from Fair Furlong Primary School went to the brilliant North Somerset Countryside Day. The children arrived by a huge coach, accompanied by 10 fabulous teachers, they went to learn about animals.*

### What we did

*Upon arrival, the children had good advice not to run to animals. Our first activity was apple pressing and they tasted apple juice. 'Would you like to taste apple juice?' Later on the children saw a sheep shaved and the sheep darted because they knew what they were doing.'*

*Y2 VE Day - Year 2 finished their World War Two topic on a high yesterday with a wonderful VE Day Party celebration. The children looked INCREDIBLE in their costumes and really entered into the spirit of the day. We enjoyed preparing our own bunting and flags to decorate our rooms before using our problem solving skills to share the rationed food equally so that we all had a fair amount. In the afternoon, we started the party by singing some class wartime songs - It's a Long*

*Way to Tipperary and We'll meet again before enjoying our food and then heading outside to learn a 1940s partner dance to 'In the Mood'. A lot of fun was had alongside some super learning and we'd like to thank all parents and staff who helped to make this day so special!*

World Day - This Friday the children have had a wonderful day immersing themselves in one of the ancient wonders of the world. Each year group have been able to explore how people lived, what they would do and even what their food may have tasted like. The children enjoyed getting crafty to create their own ideas of what their ancient wonder meant to them and what they have learnt through

the designing of a tile. The children could choose their own material in order to make a colourful tile; some of which will be able to be displayed in the corridors. Don't forget on Monday you will have a chance to visit your children's class to see what they are doing on their modern wonders of the world day where they will be exploring in a similar way.
