## 2 March February 2018

### This week at Fair Furlong

Thank you to everyone that turned up today and braved the cold weather and snow! It's never a good thing to have to close the school but we appreciate all your support in collecting the children early and look forward to seeing all the children back Monday.

The children look fabulous in their costumes. Everyone has made a huge effort, we had Soucepan Man, Shark in The Bath, lots of fairy tale characters and many more!

The children took part in lots of fun things during Book Week here are some pictures:

Every Tuesday for the next four weeks five Fair Furlong families are taking part in a cookery course run by the Square Food Foundation. During the course parents and children come together and learn how to cook delicious, healthy meals. This week the families started off by learning how to make bread and soup together. The smell of the soup wafting through the building all afternoon was making everyone hungry!

The course continues next week. We can't wait to see what they make next.

Cooper from Year 2 said 'we made bread with flour and special dough, one bit of salt, one bit of sugar - all you need to do is put it in the

frying pan, turn it so it doesn't burn! It was really good and tasted really good!

After School Club - Adventure Club have been designing a superhero and making their own comics in time for World Book Day. They had great fun with heroes such as Robotman, Powergirl and King Flash and his sidekick Splash.

## 'Tattybogle'

The performances are on Tuesday 13<sup>th</sup> March at 9.00am and Wednesday 14<sup>th</sup> March at 5.00pm.

'The scarecrow has a head full of straw and cheerful thoughts. The rain is his music, the birds and animals his friends and the wind is his dancing partner. Nothing gets him down; he loves everything - even the crows! Then one day a big storm brews up with strong winds and howling gales and disaster threatens.....'

**Tickets are now available from the school office, 2 per family initially, you can request further tickets and be added to the reserve list.**

We still have places available in our nursery for September 2018. If you have a child who is 3 before 31<sup>st</sup> August this year and would like to attend our nursery please ring or pop into the school office for more information.

Merit awards awarded for outstanding achievement throughout this week:

Enthusiasm: Faith Timbrell; Jaiden Whitfield; Reece Marsh; Mia Gursztyn

Challenge: Ashlee Neale; Louie Bedford; Payton McGill; Kaylan Nichols

Learning Together: Layla Mead; Kristofer Staynings; Preston Parker

Monday: Cheesy Pizza & Wedges : Vegetarian Bolognaise & Pasta : Salad Bar

Tuesday: Chicken Curry & Rice : Quorn frankfurter Pasta Bake : Salad Bar

Wednesday: Roast Chicken & Roast Potatoes : Country Vegetable Pie

Thursday: Beef Bolognaise & Pasta : Mild Potato & Chickpea Curry : Salad Bar

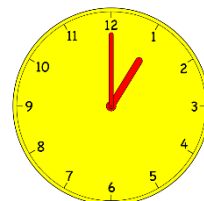

Friday: Fish Fingers & Chips : Bean & Pepper Fajita : Salad Bar

Again this week we have had complaints from our local community about the parking around the school. We appreciate the parking is very limited and we do advise parents to walk wherever possible. Please, please can you park responsibly, it is not ok to park across driveways and it is not ok to be rude and aggressive to anyone that asks you to move. We have advised the residents to inform the police if they have persistent problems with inconsiderate parking. We appreciate your co-operation in this matter.

We would like to remind you that the school day starts at 8.50am and finishes at 3.15pm (8.00 if using breakfast club and 4.15 if your child is in an after school club). More parents are arriving at the school office to collect their children early for various reasons. It is very disruptive to the class when they are continually interrupted with calls for children to leave early. Wherever possible we ask that you make appointments outside of the school day. Thank you for your co-operation and understanding.

Letters Home this week: Snow Letters; Book Token competition

Solar Panel update: To date they have produced 52186kw of electricity, this is enough to run 7 school computers for 10437 hours, or 435 days!!
