This week at Fair Furlong

Parents Evening

Thank you to all parents and carers who joined us on Tuesday, Wednesday and Thursday, it was great to see so many of you here sharing in your children's success. We hope that the mid-year reports were informative however if you would like any further information please do not hesitate to contact your child's class teacher or Mr Lang or Mrs Bickley. Also thank you to everyone that completed a parent questionnaire, if you weren't given one we would appreciate if you could pop into the office to complete one.

Nigella Class Assembly - Today in Assembly Nigella class told the school and families many interesting facts about Nigella seeds. For example did you know Nigella seeds were found inside Tutankhamen's tomb!

Noah's Ark - Year 2 went to Noah's Ark Zoo Farm to see and learn all about animals in their habitats. We learnt about how a Polar bear adapts to the cold. We held a cockroach and touched a tortoise. We loved the soft play too!

UWE - On Wednesday, Year 5 were invited to the University of the West of England to attend an exciting engineering conference. The children were able to see all the fascinating projects that engineers are working on at the moment, such as a creating a driverless car! Next they took part in a workshop that tested how much air pollution was in the air in different places over Bristol... we realised it was a lot! Finally the children got the

chance to present an idea to engineers on what they would do if they were engineers. We had a fantastic day and have lots of new budding engineers for the future!

We are really enjoying our topic on pets at home in Nursery, this week we had lots of fun learning about farm animals, we even had a go at milking a pretend cow!

Square Food Foundation Cooking Course Week 2 Sweetcorn fritters and cous cous with pomegranate, mint and raisins were on the menu on Tuesday. Our cooking teacher Charlotte explained

that the sweet corn fritters are perfect for lunch boxes as they are delicious hot or cold. Our group of young chefs were looking very confident in the kitchen this afternoon. A delicious tea

awaits them when they arrive home.

Sweetcorn Fritters

150g plain flour
 ¼ tsp baking powder
 ½ tsp sea salt
 1 tsp ground coriander
 ½ tsp ground cumin
 1 tsp sweet paprika
 1 egg, lightly beaten
 1 tsp lemon juice
 350g corn kernels, cut from 3 large corn cobs
 4 spring onions, thinly sliced
 3 tbsp chopped coriander
 2 tbsp olive oil

To prepare the fritters, place the flour, baking powder, salt, coriander, cumin and paprika in a bowl. Add the egg, lemon juice and 125ml of water and beat to a smooth batter. Add the corn, spring onion and chopped coriander and stir to combine. Heat a frying pan on a medium heat and put in a good drizzle of oil. Fry off the fritters in batches dolloping a good spoonful of mixture in the hot pan. When golden brown on both sides serve immediately with a wedge of lime and some yogurt.

Next week is the Y2/3 performances of Tattybogle. The performances are on Tuesday 13th March at 9.00am and Wednesday 14th March at 5.00pm.

If you have requested reserve tickets your child should have brought them home today, dependant on availability.

There will be a crèche available for all younger children, we would really appreciate it if you could use this facility as the children have worked extremely hard rehearsing and are really looking forward to performing for you and it would be a great shame if they couldn't be heard because of restless children in the audience. Thank you for your support.

We still have places available in our nursery for September 2018. If you have a child who is 3 before 31st August this year and would like to attend our nursery please ring or pop into the school office for more information.
