This week at Fair Furlong

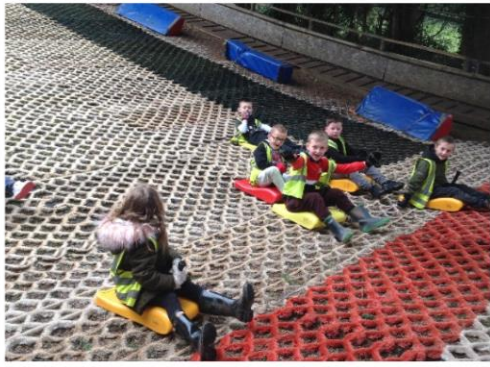

We would like to wish everyone a very happy Easter and hope you all enjoy the break, it's been a very busy term! Don't forget the Easter challenges to keep you busy over the holidays!

LOST PROPERTY – On Monday 9th April lost property will be displayed in the Small Hall – this will include any property left behind from Camp.

Barton Camp – The children and staff had a wonderful time at this year's Barton Camp. They thoroughly enjoyed the tobogganing and archery, and walking off all the hot chocolate and biscuits!

SQUARE
FOOD FOUNDATION

Singapore noodles and chocolate mousse were on the menu for the last week of our four week cookery course with the Square Food Foundation. Delicious! We would like to express a huge thank you to our visiting chefs from Square Food for adding flavour to Term 4 at FFPS and an equally huge thank you to our parents and children for all their hard work and commitment to the experience. We will publish all the delicious recipes that the children and their parents have made on our website.

Year 4 - After spending Term 4 learning all about Uganda, Year 4 were lucky enough to cook a Ugandan meal with Mrs Godfrey. We made Matooke (a beef and plantain stew) and Ugali (mashed cornflour), and got to try some of the ingredients as we cooked. Best of all, we got to try our meal afterwards!

Little Princess Trust[®]

Providing real hair wigs for children suffering with hair loss

The Little Princess Trust provides real hair wigs free of charge to children and young adults up to the age of 24 that have sadly lost their own hair due to cancer treatment and other illnesses.

Tilly and Emmy White were very brave and had their beautiful hair restyled and donated it to The Princess Trust, which makes them heroes we think! Tilly had 13 inches cut off and Emmy had just under 12 inches. This is a very worthy cause and

I'm sure you'll agree that their new hair styles look absolutely fabulous. They were awarded with their Respect badges, well done girls, you should be very proud. If you are interested in donating to this great charity their website is:
<http://www.littleprincesses.org.uk/>

Merit awards awarded for outstanding achievement throughout this term:

Flamboyant Flamingo Fiesta Trail, The Methodist Church Art club have excelled again in decorating, this time a flamingo, for the Methodist Church Trail. The trail is over the Easter holidays and the flamingos, decorated by several schools, will be on display in shop windows around Bristol. Your child should have brought home a leaflet with all the details and a map of the trail.

Breakfast club - Spanish themed

The children enjoyed, Spanish omelette; doughnuts; sponge; Spanish bread, jam.

After School Club will begin again on Monday 9th April for those that have registered their places.

Just a polite reminder that if your child does not attend for 2 weeks in a row their place will go to

people on the reserve lists. There are still a few spaces in:

Brilliant Bodz - The children have fun learning how to take care of their bodies through healthy eating and exercise.

Gardening - Next term gardening will be sowing lots of seeds to grow our own fruit and veg. We are going to see who can grow the tallest sunflower and how big we can grow a pumpkin for harvest.

Adventure - At Adventure club we use our imaginations! We have been pirates, mermaids and even our own made up superheroes, and made them into comics. We have been on treasure hunts, painted rocks, built dens and been on bug hunts. Next term we're hoping to spend lots of time in our campsite in the forest!

Sports clubs - Next term we will be playing rounders, why not come and work on your bat and ball skills? The children love being part of a team and always have lots of fun!

Warning!!! The Medicines and Healthcare products Regulatory Agency have issued a warning to keep head lice treatments away from naked flames.

- Some products for the removal of head lice can ignite when on the hair and cause serious harm in the presence of an open flame or other source of ignition such as when lighting cigarettes.
- Instructions for use should always be followed, including warnings to keep hair away from naked flame when using these products.
- Pharmacists are encouraged to help the person with head lice and/or their parents or caregivers to consider the advantages and disadvantages of each treatment option (see NHS Choices page on Head lice and nits and the Head lice Clinical Knowledge Summary from NICE for more information on options for eradication).

We still have places available in our nursery for September 2018. If you have a child who is 3 before 31st August this year and would like to attend our nursery please ring or pop into the school office for more information.

Following their visit, the pupils were all given a golden ticket which enables them to revisit, with their families, and the entire party can enter free of charge. The expiry date for these tickets is 15th April (handily including the Easter holiday) It will be fantastic if as many families as possible are able to take advantage of the offer.
