This week at Fair Furlong

Please remember that the school is closed on Monday 7 May as this is a Bank Holiday!!

Bristol Zoo - As part of their 'Minibeasts Explorers' topic, Urfa and Parsley reception classes enjoyed a fantastic trip to Bristol Zoo where they learned even more about minibeasts! They also enjoyed seeing all the different animals from the roaring lion to the cheeky seals our favourite animals were the penguins, gorillas and the lions. We even heard the lion roar! What a wonderful trip!

Parsley Class Assembly - Today it was Parsley class assembly. We have been learning all about Parsley and how to grow it. Did you know that Parsley is a super food and is good for your heart and brain. We made up our own song about about Parsley. Well done Parsley class.

DT Competition - The children were asked to make some products using recycled materials. We had some amazing entries!

Winners:

Millie James for her stationary organiser

Rosie James for her bird box

Freddie James for his guitar

Lilly and Poppy Watts for their personalised tub

All children won a K'nex set to continue with their super building and engineering.

Talent Show

This week saw the turn of Y3 Black Pepper class to take part in our talent assembly. We had singing, tap dancing, gymnastics and magic/circus skills.

Once again the children were amazing and so incredibly brave to perform in front of the whole school.

"Britain's Got Talent" watch out!!

Lyme Disease UK

Lyme disease is the most common tick-borne infectious disease in the northern hemisphere and there are multiple strains of the bacteria. Lyme disease is endemic in many parts of the United Kingdom, particularly in woodland or heath-land areas but disease carrying ticks can also be found in cities and gardens.

Symptoms can start with a rash, often described as a bulls-eye rash, It's important to note that not every Lyme disease patient will experience or remember a rash The rash may not appear straight away. Other symptoms of Lyme disease can include malaise, flu-like symptoms, soreness and achiness, light and noise sensitivity, cognitive problems, fatigue, a stiff neck, facial palsy, numbness and tingling.
