This week at Fair Furlong

Along with all the staff I would like to wish you all a happy and peaceful Christmas enjoying time with your loved ones. Thank you for all the well wishes and kind gifts. You are truly a wonderful community full of the spirit of Christmas.. Please enjoy your holidays and stay safe.

School begins again Monday January 7th.

Lucy Lang.

B&M Carols - The children made us incredibly proud with their carol singing at B&M, they were excellent. They all looked very festive in their Christmas hats. Thank you to all the parents and carers that came to support their children. We raised a massive £456.06! This will go a long way to helping with enrichment for the children.

Nursery Carols - In Nursery we invited our families in for a Christmas sing-a-long, we had a lovely time singing our favourite Christmas songs and enjoyed a few biscuits afterwards! It felt very Christmasy and got us ready for the festive season! Thank you all for coming!

KS2 also had a carol service this week. The Reverend Andrew Orton came and shared the Christmas story with the children and our choir impressed us with their amazing singing (please

see link on front page of website to hear them singing). Thank you again for all the parents & carers that came to support their children, it's always lovely to see so many of you at our events.

Walk to School with Santa - It was fantastic to see so many parents & carers at the top shops ready to walk to school with Santa. The children and staff really enjoyed it. After their festive walk, they had a lovely tasty breakfast!

Everyone enjoyed Christmas lunch on Wednesday, the children looked very festive in their jumpers with the tables which were decorated with art club creations and Christmas songs playing. Well done to Jackie and her staff in the kitchen who worked really hard and served up a delicious dinner for everyone and the rest of the school team for their waiting duties!

British themed Breakfast Club - today the children at Breakfast club enjoyed a British breakfast which included porridge, soda bread, welsh cakes, muffins and pancakes.

your After School Clubs begin again on **MONDAY 7TH JANUARY**, however please remember that you do need to **RE-REGISTER** for the clubs you wish child to attend. This can be done in the office between now and the end of term, or if you are unable to do so in person you can ring or email the school office. Remember that places are offered on

a first come first served basis but we do have reserve lists should any children not attend for 2 weeks in a row with no valid reason.
Please also note that: Wednesday's boxing club is for Y4 ONLY and for Term 3 ONLY.
Thursday's code club is for Y4 upwards.
Art & Craft and Drama clubs are now full.

Maths Week - Our first week back will be Maths week on the theme of Harry Potter. We will explore puzzles, mazes, codes, art and magic all in maths. Parents/Carers are welcome to come on Thursday 10 January between 2pm and 3pm to share in your child's learning. If your child is in Kings class we would love to see you on Tuesday 8 January between 2pm and 3pm.

During your visit we can share some key number skills for you to practise at home. We look forward to seeing you on this day.

HEADLICE! The Christmas break is a good time to check your child's hair for lice and treat if necessary. We appreciate that it is a very difficult problem to eradicate completely but if we ALL check and treat regularly it will help in the constant battle. Thank you for your support.

Healthy Teeth - This is a fun website for the children to engage with and educate them about how to keep healthy and the importance of this. Note; when your child starts to develop teeth they should attend a dental appointment to ensure healthy growth.

What's going on this week?

The Virgin TV Stars competition gave primary schools across the UK the chance to have their Christmas play produced for millions of TV viewers. The company will film a special recording of the winning school's festive production and make it available, via on-demand, to its four million Virgin TV customers in the days leading up to Christmas!

Things to talk about at home...

- Do you like taking part in school plays? Why?
- How do you feel when performing?
- Do you think it's important to have plays and productions in school?

Please note any interesting thoughts or comments here...

DATA PROTECTION REGULATION - You may not be aware but the General Data Protection Regulation (GDPR) comes into force in May 2018. As part of our preparations we are conducting due diligence for all parents to be aware of the new regulation and how it affects their child and the way the school deals with their personal data. Under the new regulation we have a responsibility to ensure to the best of our ability that any personal data held is up to date. We would ask that should any of your personal data change i.e. telephone number, address, medical needs etc that you please inform the school as soon as possible so we can update our records. You will still receive an annual data collection sheet every September but we would ask you not to wait but inform the school of any changes immediately
