This week at Fair Furlong

This week Tegla and Brunel Classes visited the Roman site in Caerleon. Whilst there we visited Roman barracks, an amphitheatre and a Roman doctor. Whilst at the Roman doctors, Molly had a very disturbing medical treatment to soothe a bad head (it involved drills and a scalpel!).

What a busy week we have had in Nursery, you will never believe it but some dinosaurs came to visit us and left us some eggs! We investigated the eggs and managed to help the dinosaurs hatch.

We investigated the eggs and managed to help the dinosaurs hatch.

We learnt about the T-rex and found out how big its footprint was - 19 pairs of shoes! We can't wait to learn more about dinosaurs!

Build a Burger!! On Thursday we were once again visited by our favourite lunchtime friend Kelly Ketchup and her new friend Bobbi

Burger 362 children joined them for lunch! Thanks to all the parents who encouraged their

children to have a school meal on this day, we really appreciate your support as every meal counts towards school funding.

This week Tegla class performed their class assembly, all about Tegla Loroupe. The children told the rest of the school all about Tegla's tough challenges growing up as she aspired to be a runner, and the many races and marathons she has completed. The children also informed us of the amazing achievements Tegla has accomplished since becoming a professional runner, such as forming the Tegla Loroupe Peace Foundation and being an active advocate for peace around the world.

This week the year five children have been introduced to the Chatback project. Fair

Furlong children have been involved in the project, where they work with residents at Murford Avenue Nursing Home, for the last four years and have produced a variety of amazing pieces of work (If you would like to see the book that was made last, it is available to view in school). The year five children will start their visits to the nursing home next week, so watch this space and the website for an update of what they have been doing.

14th January 2019

What's going on this week?

Britain is expected to leave the EU on the 29th March this year following a referendum in June 2016. This week, over two hundred Members of Parliament have signed a letter to the Prime Minister asking her to rule out a no-deal Brexit, to try to protect jobs and manufacturing. A no-deal Brexit means the UK would leave the European Union (EU) immediately on 29 March 2019, and there would be no agreements in place about what their relationship would be like in future.

Things to talk about at home...

- ☞ Talk about what you know about Brexit already.
- ☞ Deciding whether we stay in the European Union or if we leave it, is a huge decision. Do you think it should have been made by our leaders, the government, or do you think it was right for the public to vote?

Please note any interesting thoughts or comments here...

DATA PROTECTION REGULATION - You may not be aware but the General Data Protection Regulation (GDPR) comes into force in May 2018. As part of our preparations we are conducting due diligence for all parents to be aware of the new regulation and how it affects their child and the way the school deals with their personal data. Under the new regulation we have a responsibility to ensure to the best of our ability that any personal data held is up to date. We would ask that should any of your personal data change i.e. telephone number, address, medical needs etc that you please inform the school as soon as possible so we can update our records. You will still receive an annual data collection sheet every September but we would ask you not to wait but inform the school of any changes immediately.
