This week at Fair Furlong

Health & Safety Concern

Recently several children have forgotten our rule about pushing their bikes and scooters while on the school grounds. The reason we do not allow children to ride around the grounds before and after school is to protect the welfare of other users of the school grounds including very young siblings. Please ensure your child gets off their bike or scooter before coming through the school gate to help keep everyone safe. Many thanks. Mrs Lang

INTERNET SAFETY DAY

Tuesday 5th February was the National 'Safer Internet' day. The main theme of the day was about giving and requesting consent online.

We considered all the times we are asked to click 'I agree' and when it might be better to ask an adult first or not to click at all. Year 6 were horrified to learn that clicking I agree to the Terms and Conditions of Instagram gives them the right to reuse, share and sell all YOUR pictures and information!

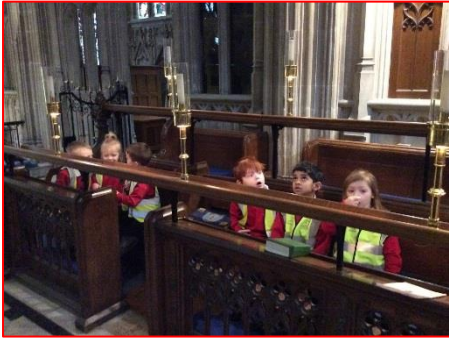

The whole school spent the day exploring the benefits and dangers of: 'surfing the web', using chatrooms, sharing personal information and images online, allowing strangers into gaming parties, pop-ups and online bullying.

We thought about uncomfortable and difficult situations and the most responsible and safe way to deal with them. To find out more you can search online for Safer Internet Day or come in to school if you have a specific query or problem - we have a wide variety of leaflets and information which might be of help!

FRANKLIN CLASS did an amazing job of their class assembly today. They enjoyed sharing all the interesting facts that they have been learning about Benjamin Franklin. They used their big voices and fantastic actions to share the life of Benjamin Franklin with the school. They even did it as one long song and with no words. You should feel proud Franklin Class.

On Tuesday, Upton class had a wonderful trip to St Mary Redcliffe church as part of their 'Busy Builders' topic. It really is a spectacular example of one of Bristol's special buildings and the children enjoyed a range of workshops including making their own stained glass windows! The volunteers were a great source of knowledge for all the children's questions and a super morning was had by all!

Adventure Club has been learning about Pirate legends this term. They designed their own ships, treasure maps and sea creatures. This week the Jolly Rogers and Red Beards made their own pirate ships and challenged each other to a canon ball fight! The Jolly Rogers won by capturing the Red Beards' team flag. Some treasure was also found!

Trampolining - Here are some more pictures of our year 3 children showing off their skills at trampolining.

The Chocolate Shop

Next term Phase 2 (Years 1, 2 & 3) will be performing 'The Chocolate Shop'. Performances will be on Tuesday 26th March at 9.15am and Wednesday 27th March at 5.00pm. Times may change slightly but we will let you know nearer the time. We will inform you when tickets are available, they will be free of charge and limited to 2 per family in the first instance.

If your child is 3 BY 31ST August 2019 we still have nursey places available. If you are interested please ring or pop into the school office where someone will be able to give you more information.

4th February 2019

What's going on this week?

British tennis player, Andy Murray has been beaten in what might have been his last ever match. He lost in five sets to Roberto Bautista Agut in the Australian Open first round. Speaking about the match, Murray said "If this was my last match, it was an amazing way to end. I gave everything I had - it wasn't enough tonight." Murray had hoped to carry on playing until this year's Wimbledon, but after struggling to recover from hip surgery he said he may not be able to play through the pain and would have to stop sooner. Andy has won 45 titles during his career.

Things to talk about at home...

- How do you think Andy Murray might be feeling knowing that he may have played his last ever major tennis match?
- Can you think of other times when 'giving up' may be the right thing to do?
- What kinds of things do you think he might decide to do next?

DATA PROTECTION REGULATION - You may not be aware but the General Data Protection Regulation (GDPR) comes into force in May 2018. As part of our preparations we are conducting due diligence for all parents to be aware of the new regulation and how it affects their child and the way the school deals with their personal data. Under the new regulation we have a responsibility to ensure to the best of our ability that any personal data held is up to date. We would ask that should any of your personal data change i.e. telephone number, address, medical needs etc that you please inform the school as soon as possible so we can update our records. You will still receive an annual data collection sheet every September but we would ask you not to wait but inform the school of any changes immediately.
