This week at Fair Furlong

Please note: there will be NO after school clubs on WEDNESDAY 27TH MARCH or FRIDAY 5TH APRIL.

Sagan class shared all the interesting facts we have learnt about Carl Sagan during our assembly. We then performed a song we wrote about him. He was an American astronomer, cosmologist, astrophysicist, astrobiologist, author, science popularizer, and science communicator in astronomy and other natural sciences. He is best known for his work as a science populariser and communicator. His best known scientific contribution is research on extra-terrestrial life.

We have become a bit of a zoo in Nursery, our Stick insects are still growing well and some other classes have even had some of our babies to start their own colonies. We have had two exciting arrivals this week, frog spawn which has already hatched and our eggs. The eggs have started to hatch, the children are loving watching them crack out of their shells and fluff up! So exciting!

Next Week:

Don't forget as part of book week on Thursday 7th March, World Book Day, the children have the opportunity to dress up as a character from their favourite fairy tale. Here are a few ideas: Pinocchio, Little Red Riding Hood, Snow White or even one of the Three Little Pigs.

Visit <http://www.worldbookday.com/dressing-up> for more ideas of costumes you can make yourself or for some inspiration for other characters.

St Peter's Hospice

To support the St Peter's Hospice Ready Steady Bake fundraising event we would like to invite you to our parents/carers coffee morning here at school on **Tuesday 12th March at 9.00am**. Our staff will be baking mouth-watering cakes for you to enjoy for a donation of £1. It would be lovely to see you all and help us raise funds whilst enjoying a cup of tea with delicious home baked cakes.

The Chocolate Shop

This term Phase 2 (Years 2&3) will be performing 'The Chocolate Shop'. Performances will be on Tuesday 26th March at 9.15am and Wednesday 27th March at 5.00pm. **The tickets will be available from Monday 4th March**, there is no charge and they will be limited to 2 per family in the first instance.

'At Easter, the Chocolate Shop window is always full of Easter Eggs, until one year the Chocolate Maker puts Easter Bunnies in the centre of the display instead. The Eggs are furious, thinking it's their right to have pride of place, while the Bunnies claim it's their turn. Although the Tulips and Daffodils try to keep the peace, the Bunnies and Eggs fight with each other and the Chocolate Maker is very disappointed in them. The Eggs and Bunnies are ashamed, and with the encouragement of the Tulips and Daffodils they all apologise. By the time the Chocolate Maker returns they've forgiven each other, and there is joyful celebration. The shop window will look beautiful after all!'

25th February 2019
What's going on this week?

Having been delayed by a week, Nigeria's presidential election is set to take place on the 25th February. Whoever wins will have to respond to power shortages and high unemployment. There are 73 registered candidates in the presidential election, but campaigning has been dominated by President Buhari, 76, and Atiku Abubakar, 72. While both are in their 70s, more than half of Nigeria's 84 million registered voters are under 35.

Things to talk about at home:

- Do you think you should always vote when you can?
- Some young Nigerian people are choosing not to vote as they are worried about fights breaking out in the queues waiting to vote and the votes not being counted fairly. Would this stop you from voting?

DATA PROTECTION REGULATION - You may not be aware but the General Data Protection Regulation (GDPR) comes into force in May 2018. As part of our preparations we are conducting due diligence for all parents to be aware of the new regulation and how it affects their child and the way the school deals with their personal data. Under the new regulation we have a responsibility to ensure to the best of our ability that any personal data held is up to date. We would ask that should any of your personal data change i.e. telephone number, address, medical needs etc that you please inform the school as soon as possible so we can update our records. You will still receive an annual data collection sheet every September but we would ask you not to wait but inform the school of any changes immediately.
