This week at Fair Furlong

Please note: there will be NO after school clubs on WEDNESDAY 27TH MARCH or FRIDAY 5TH APRIL.

Year 2 really enjoyed visiting Noah's Ark Zoo Farm. We enjoyed learning all about habitats of lots of different animals and we had the chance to hold a cockroach and stroke a tortoise. We even ended the day with a bumpy tractor ride! Well done to all children in Year 2 for being so respectful to the members of the public and all the animals.

Upton class performed a lovely class assembly all about Francis Robbins Upton. Upton was famous for inventing the first fire alarm, and the children shared lots of interesting facts about him through songs and whole class performance. They sang beautifully and did a great job of remembering lots of facts! Thank you all who were able to come and support the children.

The Chocolate Shop

Next week Years 2 & 3 will be performing 'The Chocolate Shop'. Performances are on Tuesday 26th March at 9.15am and Wednesday 27th March at 5.00pm. You should now have received your reserved tickets today if they were available. Don't forget the children will need to stay in school ready for the performance at 5.00pm on Wednesday, they will be given a small snack. Please check with your class teacher what colour top your child needs - everyone needs to have their normal black trousers/skirt/leggings.

Chartwells Easter Colouring Competition

Your child has a chance to win a fantastic prize. All they need to do is have a tasty school lunch on Monday 25th March where they will be given a colouring sheet which needs to be handed back into the kitchen by Friday 29 March. Winners will be notified before the Easter holiday.

Your child will have brought a letter home this week saying that you can register your child for after school clubs for terms 5 and 6 from Monday. Some of the clubs do get booked up very quickly so it is advisable to book early if you have specific clubs that your child likes. If you can't get into school you can always ring the office where they will be more than happy to help.

BAVA – Bristol Against Violence and Abuse – This website provides information about different types of violence and abuse and support services that can help (e.g physically violence from a partner or relation, sexual abuse, female genital mutilation). There is also information on how to help others and how to raise awareness of violence and abuse. www.bava.org.uk

Solar Panel update: To date they have produced 102757kw of electricity, this is enough to run 7 school computers for 20551 hours, or 856 days!

**No
speeding**

Once again we have had complaints about the parking in Vowell Close and the speed at which cars are travelling. Vowell Close and all surrounding areas are 20mph limits, even though this is still too fast directly outside of the school. Please, please can you drive safely and park courteously when dropping off and collecting your children from school, there are always pedestrians that you are putting in danger if you do not. Let's not let it take a nasty accident for people to start acting on these simple rules. We would really appreciate your support in this matter.

25th February 2019
What's going on this week?

Having been delayed by a week, Nigeria's presidential election is set to take place on the 25th February. Whoever wins will have to respond to power shortages and high unemployment. There are 73 registered candidates in the presidential election, but campaigning has been dominated by President Buhari, 76, and Atiku Abubakar, 72. While both are in their 70s, more than half of Nigeria's 84 million registered voters are under 35.

Things to talk about at home...

- Do you think you should always vote when you can?
- Some young Nigerian people are choosing not to vote as they are worried about fights breaking out in the queues waiting to vote and the votes not being counted fairly. Would this stop you from voting?

Please note any interesting thoughts or comments here...

DATA PROTECTION REGULATION - You may not be aware but the General Data Protection Regulation (GDPR) comes into force in May 2018. As part of our preparations we are conducting due diligence for all parents to be aware of the new regulation and how it affects their child and the way the school deals with their personal data. Under the new regulation we have a responsibility to ensure to the best of our ability that any personal data held is up to date. We would ask that should any of your personal data change i.e. telephone number, address, medical needs etc that you please inform the school as soon as possible so we can update our records. You will still receive an annual data collection sheet every September but we would ask you not to wait but inform the school of any changes immediately.
