This week at Fair Furlong

Breakfast Club is only for Year 6 children next week, who will be sitting their SATs, unless you have booked a place your child will NOT be able to have breakfast at school and will need to arrive at the normal time of 8.50.

We are working hard to support our Year 6 children this week and wish them the best of luck in their tests.

Last Friday Year 3 learnt all about the digestive system through the Explorer Dome. All the children crawled into the dome (or the stomach in this instance) and had an interactive demonstration of how we digest food. It was very informative but they also found it a little gross!

Last Friday, Caxton Class enjoyed a trip to visit Brunel's SS Great Britain in central Bristol. All the children gained a fascinating insight into what it would have been like to travel on a ship during the

Victorian era. They also learnt that sailors would often have to live for months on iron hard biscuits known as 'ship's biscuits' which many of the children struggled to believe!

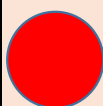

We would like to congratulate Mr and Mrs Stevens on the birth of Elijah, who was born on Sunday weighing 8lb 10ozs. Both mum and baby are doing really well.

School Photographs - Your child will have brought home their class photo this week. All orders need to be in the school office no later than **Tuesday 22nd May**. Please can you ensure the correct money is put into the envelope as the orders go straight to the photographer.

What's going on this week?

The country of Ukraine has elected a comedian called Volodymyr Zelensky as its new president. Volodymyr, who is originally an actor and comedian, once starred in a role as a teacher who accidentally becomes president! According to official results, he won Ukraine's presidential election with 73% of the vote. Volodymyr has no previous political experience and wasn't very clear on his main goals and so many were surprised to hear of the surprising victory!

Things to talk about at home...

- 🍎 Can you think of different people who are leaders in different roles? E.g. the leader at your school, your country, a group you're part of. What makes them good at their roles?
- 🍎 Do you think anyone should be allowed to run a country or do you think there should be restrictions? E.g. age, certain qualifications or experience required.

DATA PROTECTION REGULATION - You may not be aware but the General Data Protection Regulation (GDPR) comes into force in May 2018. As part of our preparations we are conducting due diligence for all parents to be aware of the new regulation and how it affects their child and the way the school deals with their personal data. Under the new regulation we have a responsibility to ensure to the best of our ability that any personal data held is up to date. We would ask that should any of your personal data change i.e. telephone number, address, medical needs etc that you please inform the school as soon as possible so we can update our records. You will still receive an annual data collection sheet every September but we would ask you not to wait but inform the school of any changes immediately.
