This week at Fair Furlong

A REMINDER FOR SPORTS MORNINGS NEXT WEEK: - Please check the day of your child's sports morning on the diary dates in this newsletter. If the weather is hot please remember to administer sun cream before your child comes to school and please send them with a sun hat. Hopefully we will have good weather but if we do have to cancel any event we will always text by 8.00am to let you know of any cancellation.

Year 6 had a fantastic visit to the Create Centre to take part in many activities that teach life skills. Over the course of the session, they took part in 19 different scenarios that investigated hazards and allowed them to practise responding to these in a safe way. The children particularly enjoyed making mock 999 calls to the emergency services!

On Friday 14th June, our five Bristol Together Footballers joined forces with their Glenfronme team mates to attend the Bristol Together Tournament at UWE. Despite the rain, the children remained positive throughout the day and were a real credit to our school. We are very proud of the children's work on this project and have been pleased to receive many compliments regarding their attitudes and aptitude. We are still awaiting the official photographs, which we will share with you as soon as we have them! The children that took part are:

Harley Tolliver; Lashonda Burke; Navaya Devey; Fallon Blackmore; Harry Blackmore, who all received a certificate and medal in assembly rewarding their great performances.

Year 2 went on an exciting trip to Tyntesfield. We have been learning all about World War 2 and we were able to learn about some real evacuee children who stayed at Tyntesfield during the war. We then looked around the house and saw the places the evacuees stayed and some of the jobs they

did and games they would have played. Finally we looked at rationing and we had a go at making a war time dish, carrot fudge.

The NSPCC's *Speak Out. Stay Safe.* programme visited our school this week. With the help of their friendly mascot Buddy, our children received information about how to keep themselves safe from harm and how to get help if they have any worries. Our Year 5 and Year 6 children also took part in workshops.

If you'd like to know more about the NSPCC's work, or take a look at the wide range of information and advice which is available for parents and carers, please visit their website [nspcc.org.uk/preventing-abuse/keeping-children-safe/](https://www.nspcc.org.uk/preventing-abuse/keeping-children-safe/)

Fair Furlong election - Our Year 6 School Councillors have made a start on our Head Pupil interviews. The interviews are taking longer than we had expected but we are not complaining about this! We have been delighted so far to see how much time and effort applicants have put into preparing for their interviews. We've enjoyed hearing about their personal visions for our school's future.

If your child hasn't had their interview this week please bear with us. Expect their interview to happen in the early part of next week. The five candidates with the highest interview scores will then move forward to the next part of the ballot process. Their photographs and personal profiles will

appear on our school website by next Thursday.

Thank you all as families for showing such a great interest in this endeavour.

The amount of families arriving late for school each morning has been steadily growing. It is important that your child arrives on time and ready for the day ahead. It can be distressing for them and disruptive to the class to arrive late when the other children in their class are all settled into their learning.

Also, school finishes at 3.15pm and unless it is for something important and unavoidable you should not be collecting your child before then. Thank you for your co-operation in this matter.

Trampolining - Some more children have been enjoying trampolining sessions at Hengrove Leisure Centre this term.

Have a look at their amazing skills and confidence!

Space Chase, Summer Reading Challenge 2019 - The Summer Reading Challenge encourages children aged 4 to 11 to read six library books during the long summer holiday.

The Reading Agency and Libraries Present

Summer Reading Challenge 2019

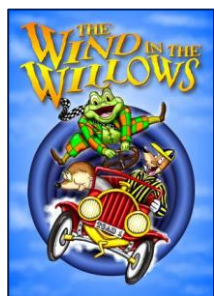

There is a different Summer Reading Challenge theme each year.

The Summer Reading Challenge 2019 theme is Space Chase, an out-of-this-world adventure inspired by the 50th anniversary of the first moon landing.

Children taking part in the Challenge will join our super space family, The Rockets, for a thrilling mission to track down books nabbed by mischievous aliens! Space Chase will feature bespoke artwork from top children's

illustrator, Adam Stower, and will celebrate adventure, exploration, reading and fun!

This term Phase 3 will be performing 'Wind In The Willows'

performances are being held on Tuesday July 9th at 9.15am and Wednesday 10th July at 5.00pm. Tickets are free of charge and are now available from the office. Due to the popularity of our school performances we can only allocate 2 tickets per family initially. You can request more if there are any remaining closer to the performance date.

'Wind In The Willow is a brilliant musical based on the classic story by Kenneth Grahame. Follow the adventures and escapades of Ratty, Mole, Badger and the infamous Mr Toad in this delightful adaptation.'

DATA PROTECTION REGULATION - You may not be aware but the General Data Protection Regulation (GDPR) comes into force in May 2018. As part of our preparations we are conducting due diligence for all parents to be aware of the new regulation and how it affects their child and the way the school deals with their personal data. Under the new regulation we have a responsibility to ensure to the best of our ability that any personal data held is up to date. We would ask that should any of your personal data change i.e. telephone number, address, medical needs etc that you please inform the school as soon as possible so we can update our records. You will still receive an annual data collection sheet every September but we would ask you not to wait but inform the school of any changes immediately.

What's going on this week?

Last week, the US President Donald Trump visited the UK for an official state visit. He spent time with the Prime Minister, Theresa May and the Queen and other members of the Royal family. Theresa May has said it was a chance for the US and UK "to strengthen our already close relationship". But others don't think that he should be given such a formal and important welcome. Some UK politicians, including Labour leader Jeremy Corbyn, didn't attend the special banquet in honour of President Trump. Protests also took place in London, with anti-Trump campaigners planning marching through the streets.

Things to talk about at home...

- Is it important to be friendly to everyone, even those we don't get along with? Why?
- Do you think that everyone should have made the President of the USA feel welcome even if they don't agree with some of the things he says or does or do you think people should be allowed to voice their opinions if they don't agree?

Please note any interesting thoughts or comments here...
