This week at Fair Furlong

Blaise Castle - Fossa / Polar Bear - Both classes have enjoyed fabulous days out at Blaise Castle recently and learnt so much about toys from the past. We started the day with some parachute games outside before going into the house for our workshop. Here, we explored the toys from long ago, sorted them into groups and thought about the materials they were made from and who might have played with them. We then enjoyed activities around the house before eating lunch and playing in the park. The children were fantastic and did Fair Furlong and their families proud!

Seal Class Aquarium -

Seal class had an amazing time at Bristol Aquarium learning about under water animals and their habitats. We were so lucky as the octopus came out of her hiding place to say hello to us! All the children were brilliantly behaved and respected the members of the public and all the animals we saw! What a fabulous day!

Shark Assembly

Sharks class have been working exceptionally hard to practise their class assembly! They used research from the first week of term to form the facts used in the assembly. They also worked really hard to support each other with learning their lines. Some of the children even overcame their fears of performing in front of an audience and read more lines aloud than they ever have before. Well done Sharks class!

Fishfinger Thursday!! 3rd October - **EVERY CHILD IN SCHOOL NEEDS TO EAT A SCHOOL DINNER** - This is a really important day for school as the more children who have school dinners the more funding we get for school. If your child usually has a packed lunch this would be a great day for them to try a school dinner for the first time. All children taking a school meal on Thursday will have the opportunity to win a prize! Our favourite characters will also be joining us, Kelly Ketchup and Finn Fishfinger! Please support the school and encourage your child to have a school dinner.

This year our Harvest Festival is Friday 11th October. Families are warmly invited to attend one or both assemblies. Please collect a ticket from the school office for this assembly if you wish to attend due to the limited spaces that are available. The maximum is one ticket per family as these are limited in number. **We will**

be celebrating Harvest Festival for Reception, Years R,1&2 at 9.15 am and for Years 3,4,5 & 6 at 10.15 am. This year the donated goods will go to the Withywood Church Food Bank. They would like donations of dried goods e.g. rice, pasta, beans and pulses, tins and jars as well as soaps, flannels and tooth brushes etc. Please ensure all items are unopened and in date. We always have a wonderful response and we thank you in advance for your contribution in supporting this much needed local charity for our community.

Fair Furlong invite you to...

Reading Café

Where: The small hall

When: Every Tuesday, 8:15am

Like last year, we are inviting you to join us at our very own 'Reading Café'. This year, it will be open to ALL families from any phase every Tuesday morning.

We will provide the books, blankets, tea (or coffee) and toast! Just bring yourselves. We look forward to seeing you all there.

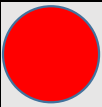

AWARDS: Golden Good Manners Table: Millie Exon; Louie Malin; Cyris Donaghy; Lexie Pumford; Kaleb Barnes Lunchtime

Picture News at Home

23rd September 2019
What's going on this week?

Many charities have campaigned for the teaching of first aid in the UK and Ireland to become part of the school curriculum. Now, for pupils in England first aid classes will be compulsory from September 2020 with schools in Wales, Scotland and Ireland expected to follow. First aid classes will be taught in primary and secondary schools. Primary schools will be taught life-saving skills such as how to call emergency services, whereas secondary schools will be taught life-saving skills such as how to help someone who is suffering a heart attack. 1,600 schools in England will take part in the new first aid lessons this year as part of a trial, before it becomes compulsory.

Things to talk about at home...

- Do you think first aid should be taught in school? If so, what age do you think it should be taught?
- How much do you know about first aid? Have you already been taught some skills?
- Have you ever been in an emergency situation, if so, were you able to stay calm? Would first aid training have helped?

Please note any interesting thoughts or comments here...

DATA PROTECTION REGULATION - You may not be aware but the General Data Protection Regulation (GDPR) comes into force in May 2018. As part of our preparations we are conducting due diligence for all parents to be aware of the new regulation and how it affects their child and the way the school deals with their personal data. Under the new regulation we have a responsibility to ensure to the best of our ability that any personal data held is up to date. We would ask that should any of your personal data change i.e. telephone number, address, medical needs etc that you please inform the school as soon as possible so we can update our records. You will still receive an annual data collection sheet every September but we would ask you not to wait but inform the school of any changes immediately.
