## 9 October 2020

### *This week at Fair Furlong*

Home learning: Ulaanbaatar and Doha have been working very hard at home this week, including watching videos of Mrs Davies and Mrs Undy doing tasks and setting challenges to do at home! Here are examples of the super learning going on at home! Well done Reception!

We look forward to welcoming back all the Reception children on Monday.

**Playtime:** Look how much fun the children are having in their year group bubbles at playtime. We have some wonderful new playground markings which are keeping the children thoroughly entertained. This week we started a rota of equipment so that the children can start practising their skipping, balancing and bat and ball skills.

Look out for next week:

## Harvest Festival

**FRIDAY 16<sup>th</sup> OCTOBER** a recording will be made available via your year group You Tube Channel.  
We are now collecting donations of food and dried goods e.g. rice, pasta, beans and pulses, tins and jars as well as soaps, flannels and tooth brushes etc. which will be passed on to the Withywood Church Food Bank.

Please send in your donations with the children.

The chart below shows how much each class has collected to date:

Also next week you will be receiving a letter via email regarding Parents' Evening with full instructions on how to book your appointment and when the booking system will be open.

A swimming letter for Years 4 and 6 regarding a return to Hengrove Leisure centre in term 2.

**If you or your family are affected by symptoms of Covid 19 please do let the school office know so we can respond accordingly in school.  
This is really important.**

**First Response** – Are you a parent who needs support with a difficult issue, from your child's behaviour to a problem related to domestic abuse? Are you a young person who needs to talk to someone about things that are worrying you? ## Picture News at Home

12<sup>th</sup> October 2020  
What's going on this week?

Sir David Attenborough has celebrated the efforts of young people who have "woken up the world to the threat of climate change." Sir David became the fastest person to have one million followers on Instagram recently after he joined the social media platform to reach out to younger people, many of whom support his message of protecting the natural world.

Things to talk about at home...

- Have you ever watched any of Sir David Attenborough's documentaries? If you have, what were they about? What did you learn? If you haven't, would you like to?
- Why do you think at 94-years-old, David Attenborough has decided to join Instagram? Do you think it is a good way for him to spread his message?
- Do you think it's important for young people to care about the environment and wildlife? Why?

**DATA PROTECTION REGULATION** – You may not be aware but the General Data Protection Regulation (GDPR) came into force in May 2018. We are required to conduct due diligence for all parents to be aware of the regulation and how it affects their child and the way the school deals with their personal data. Under the regulation we have a responsibility to ensure to the best of our ability that any personal data held is up to date. We would ask that should any of your personal data change i.e. telephone number, address, medical needs etc that you please inform the school as soon as possible so we can update our records. You will still receive an annual data collection sheet every September but we would ask you not to wait but inform the school of any changes immediately.
