Red Nose Day - 19th March - Join the Fun!

The world needs a life-changing laugh now more than ever. That's why we're getting involved in the Red Nose Day fun on 19th March 2021.

This past year has shown us all what wonderful superheroes we have all around us. NHS workers, school staff, emergency services, key workers... all our wonderful families and your children have all been superheroes dealing with the challenges that lockdown has brought.

On Friday 19th March your child is invited to dress as a superhero, wear something red or just their casual clothes (remember, not all superheroes wear capes!). Please donate £1 or more via this link if you can -

Due to COVID 19 restrictions, we will not be selling red noses this year, however they will be available to buy from the usual outlets such as Sainsbury's or here: <https://shop.comicrelief.com/>

What's Been Happening this Week?

Seoul Class has had a busy week this week. We have been exploring our phonics in a creative way. We have used playdough, paint, chalk and pens to explore our sounds and write sentences.

We have also carried out a scientific investigation to investigate plants and trees in our school.

The children blew Miss Shaddick's socks off when she challenged them to count to 30 and the whole class counted to 100!

15th March 2021

What's going on this week?

A group of rebellion protesters in Euston Square Gardens, who built a 100ft (30m) tunnel under the gardens to protest against the HS2 high-speed railway line, have all now been evicted. They are campaigning against the development, which plans to improve transport links between parts of the north of England and London. The issue the protesters have, is that the planned route runs through areas of ancient woodlands and wildlife habitats.

Things to talk about at home...

- 🧐 What do you think about how the protesters campaigned by building a tunnel? Why do you think they decided to do that?
- 🧐 What do you think they would have found the hardest about living in a tunnel?
- 🧐 Can you think of a time when you have disagreed with something and taken action?

DATA PROTECTION REGULATION – You may not be aware but the General Data Protection Regulation (GDPR) came into force in May 2018. We are required to conduct due diligence for all parents to be aware of the regulation and how it affects their child and the way the school deals with their personal data. Under the regulation we have a responsibility to ensure to the best of our ability that any personal data held is up to date. We would ask that should any of your personal data change i.e. telephone number, address, medical needs etc that you please inform the school as soon as possible so we can update our records. You will still receive an annual data collection sheet every September but we would ask you not to wait but inform the school of any changes immediately.
