Red Nose Day

We've had a great day today with so many amazing superheroes costumes and dress up - both children and staff. Great to see medical staff and services recognised as heroes too! You can find lots and lots of great pictures of our day further down this newsletter.

If you haven't had a chance to donate and would like to - please pop over to the below link:

We'll let you know the final amount raised in next week's newsletter

What's Been Happening this Week?

The year 1 scientists have been out exploring Fair Furlong Primary School's plants and trees this week. They have explored deciduous and evergreen trees, what plants need to survive and which plant is the most common in our school grounds.

Our year 1 mathematicians have also been using non-standard measurements to compare heights and lengths. They have been using mathematical language to explore this mathematical concept and have had lots of fun doing it.

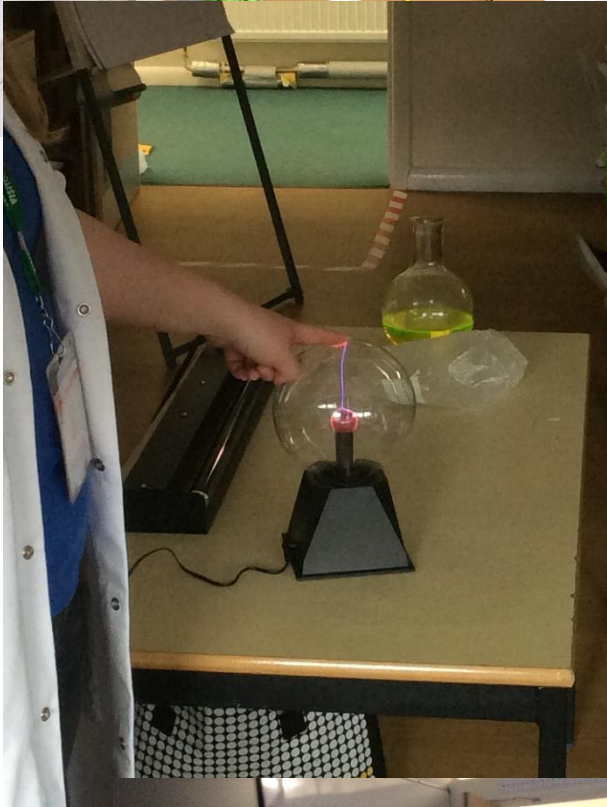

Nursery have loved learning about hot air balloons this week. We even made our own balloon fly around the classroom!

In Year 4, we have had a busy week. On Monday, Jupiter Jess came to visit and the children enjoyed the hair raising activities. On Thursday, the children used toothbrushes as a painting tool to explore the effect it has.

at Home

22nd March 2021

What's going on this week?

Sunday 21st March is census day in England, Wales and Northern Ireland. The survey provides a glimpse of life, which can be used by organisations to help make sure they provide the right services for people. The 2021 census in particular, will help us understand how coronavirus has affected everything from our health to our finances. Due to the pandemic, Scotland have decided to hold their census next year.

Things to talk about at home...

- 🧐 Can you find out who has completed the census in your household? What kind of questions did they need to answer?
- 🧐 Can you remember the last time you (or your family) completed a form for something else, it could be to join a club or to order something? What questions were asked?

Please note any interesting thoughts or comments here...

DATA PROTECTION REGULATION - You may not be aware but the General Data Protection Regulation (GDPR) came into force in May 2018. We are required to conduct due diligence for all parents to be aware of the regulation and how it affects their child and the way the school deals with their personal data. Under the regulation we have a responsibility to ensure to the best of our ability that any personal data held is up to date. We would ask that should any of your personal data change i.e. telephone number, address, medical needs etc that you please inform the school as soon as possible so we can update our records. You will still receive an annual data collection sheet every September but we would ask you not to wait but inform the school of any changes immediately.
