After School Club

Note: There will be NO after school club on Thursday 1st April as this is the last day of term.

A big THANK YOU

We would like to say a big thank you to Digilocal, who have generously donated 20 laptops, to support our

families with no other devices at home. The laptops will mean that children are able to access all of our remote learning resources and will be able to become prepared to succeed in the digital world.
THANK YOU!!

Reception Places 2021

Offers of school places will be sent to you by Bristol City Council on 16th April 2021. Please keep an eye on your emails at this time.

What's Been Happening this Week?

Year 3 have been busy creating Easter Bonnets and practising for their Phase 2 Easter Performance. We have had a lot of fun singing and creating our poem videos and we're looking forward to sharing them with parents!

Reception have been budding scientists this week and exploring ice! We explored ways to melt pieces of ice and used this knowledge to release frozen animals on the farm! We had so much fun!!

Miss Shaddick has been really impressed with Year 1's maths this week. Last week on Red Nose Day, Seoul Class joined different materials together to make capes. This week in maths, they

were set the task to find the best cape for Mrs Lang. They had to think about the length of the cape and what tools they could use to measure the different capes. The children used brilliant mathematical language to describe the lengths of the different capes and used non-standard units to find the best cape. They developed their skills throughout the week and measured different objects using rulers. Well done mathematicians.

A horizontal banner with a blue background and yellow and black diagonal stripes at the top and bottom. On the left, there are three circular icons: a hand being washed, a face mask, and two people with an arrow between them. Below these icons are the words 'HANDS', 'FACE', and 'SPACE'. To the left of the central figure is the text 'bristol.gov.uk/coronavirus' and '#WeAreBristol'. In the center is a cartoon illustration of a person with dark hair wearing a blue face mask. To the right of the person are four circular icons: a thermometer with a plus sign, a head with sound waves, a cigarette with a red prohibition sign, and a mouth with a red prohibition sign. Below these icons is the text 'If you develop one or more symptoms:' followed by a bulleted list: 'a high temperature', 'a new, continuous cough', and 'a loss or change to your sense of smell or taste'. At the bottom right, it says 'Get a test and self-isolate until you get your test result.'

DATA PROTECTION REGULATION - You may not be aware but the General Data Protection Regulation (GDPR) came into force in May 2018. We are required to conduct due diligence for all parents to be aware of the regulation and how it affects their child and the way the school deals with their personal data. Under the regulation we have a responsibility to ensure to the best of our ability that any personal data held is up to date. We would ask that should any of your personal data change i.e. telephone number, address, medical needs etc that you please inform the school as soon as possible so we can update our records. You will still receive an annual data collection sheet every September but we would ask you not to wait but inform the school of any changes immediately.

Read Easy Bristol – Helping Adults Learn to Read

Do you know anyone who would like to improve their reading?

We can help!

We are currently looking for readers and volunteers

Read Easy Bristol is affiliated to [Read Easy UK](#), a national charity that helps adults learn to read. We match trained volunteer reading coaches to work one to one with people who struggle to read. Our sessions are flexible, fun and free.

Please share this message with anyone who might be interested.

Many Thanks
