This week at Fair Furlong

Notices

Christmas Jumper Days and Christmas Dinner

Fair Furlong will join millions of people across the UK on Friday 10th December, by putting on our Christmas jumpers to support Save The Children charity. The children and staff will be able to bring extra festive cheer their classrooms and will be invited to make a suggested donation of £1, or whatever they can afford.

You don't need to buy jumpers if children don't have them - why not have fun at home decorate old ones? It'll be worth the effort as they'll get to show them off again on Wednesday 15th - Christmas dinner day. We Are looking forward to seeing all of the children looking festive!

COME AND JOIN US FOR A TASTY FESTIVE MENU!

We have whipped up some super yummy treats in the kitchen - join us on

DON'T FORGET! SCHOOL MEALS ARE FREE FOR ALL PUPILS IN RECEPTION, YEAR 1 OR YEAR 2.

We will email our festive menu soon

What's Been Happening this Week?

Blaise Castle

Last Friday Surgeons class had a lovely day at Blaise Castle. We have learned about Victorians and had a chance to play with toys, smell and mix Christmas pudding,

sing carols and make Victorian Christmas decorations. We were able to compare toys from the past and present, and also dress up as Victorians.

hate**

The Government of the United Kingdom's Home Office and Department of Education created the Educate Against Hate website to act as a resource centre for students, teachers and parents. The goal of the website is to increase the awareness of the risks of extremism and radicalisation faced by youth in the UK, thus helping to create an informed and resilient society. <https://educateagainsthate.com/> Please have a look at the parent section for guidelines on how you can help keep your children safe from online harms; advice and links to support services and information on how to report concerns or incidents of extremism. <https://educateagainsthate.com/parents/>

DATA PROTECTION REGULATION - You may not be aware but the General Data Protection Regulation (GDPR) came into force in May 2018. We are required to conduct due diligence for all parents to be aware of the regulation and how it affects their child and the way the school deals with their personal data. Under the regulation we have a responsibility to ensure to the best of our ability that any personal data held is up to date. We would ask that should any of your personal data change i.e. telephone number, address, medical needs etc that you please inform the school as soon as possible so we can update our records. You will still receive an annual data collection sheet every September but we would ask you not to wait but inform the school of any changes immediately.

What's going on this week?

Brazil's indigenous people came together at COP26 earlier this month to share their message, that the world needs their expertise in protecting the Amazon rainforest. They have said they face increasing threats from loggers and miners. Their way of life is being threatened and huge areas of forest are being destroyed. It's thought that indigenous leaders in Latin America and the Caribbean protect around an eighth of all the carbon stored by tropical rainforests across the world.

Things to talk about at home...

- 🐛 How can the land indigenous groups live on be protected? Whose job do you think it is?
- 🐛 What types of things do you think help make a 'natural life'? Do you think it's important for us try to make our lives as natural as we can?
