Year 1 - Wednesday
Year 2 - Monday
Year 3 - Thursday
Year 3 - Swimming on Tuesday
(Engineers 11th, 18th, 25th January)
(Builders 1st, 8th, 15th February)

Year 4 - Thursday
Year 5 - Wednesday
Year 6 - Tuesday
Year 6 - Swimming on Thursday

School Census Day

Thank you to all who supported school census day and opted for a school dinner. The children had lots of fun and some were lucky enough to win in our raffle. We hope they've told you all about it.

What's Been Happening this Week?

Year 1 have enjoyed learning about the length of day and weather associated to the season winter. They created fabulous collages to show their understanding of weather in winter.

Reception had a fantastic afternoon exploring drumming with local musician, Algy Behren. He taught us to use the drums and a range of percussion instruments in different ways to explore sounds and rhythm, keep a beat and play together as a group. We even used our voices to create group chants and songs to transport ourselves to Kenya!

Year 5 are really enjoying learning about materials in science. This week we have been investigating the absorbency of different materials. We worked together in groups to conduct a fair test by making sure each material was the same size, was left in water for the same amount of time, and the water the materials were in were the same volume.

This week our 2 Year 5 and 6 Football teams competed at the South Bristol SSP tournament. The 1st team won 3 out of 4 games and showed fantastic determination and team spirit. Beau Lilley led the way in scoring providing a hatrick in one of the games. Mr Cawley is particularly proud of the second team, even coming up against some of the

well practised team they did not give up and showed brilliant sportsmanship. Keep an eye out in the coming weeks as the boys have one more tournament, the next round of the Coronation Cup and the South Bristol League matches to come.

Year 4 developed their archaeological skills this week when they visited an Ancient Greek pottery workshop at Bristol Museum. They interpreted primary sources and learnt about what life was like in Ancient Greece.

DATA PROTECTION REGULATION - You may not be aware but the General Data Protection Regulation (GDPR) came into force in May 2018. We are required to conduct due diligence for all parents to be aware of the regulation and how it affects their child and the way the school deals with their personal data. Under the regulation we have a responsibility to ensure to the best of our ability that any personal data held is up to date. We would ask that should any of your personal data change i.e. telephone number, address, medical needs etc that you please inform the school as soon as possible so we can update our records. You will still receive an annual data collection sheet every September but we would ask you not to wait but inform the school of any changes immediately.

A blue banner with yellow and black diagonal stripes at the top and bottom. It features a central illustration of a person with long dark hair wearing a blue face mask. To the left of the person are three circular icons: hands being washed, a face mask, and two people with a double-headed arrow between them. Below these icons are the labels "HANDS", "FACE", and "SPACE". To the right of the person are four circular icons: a thermometer with a plus sign, a person coughing, a cigarette with a red prohibition sign, and a mouth with a red prohibition sign. Below these icons is the text "If you develop one or more symptoms:" followed by a bulleted list: "a high temperature", "a new, continuous cough", and "a loss or change to your sense of smell or taste". Below the list is the text "Get a test and self-isolate until you get your test result." At the bottom left of the banner is the text "bristol.gov.uk/coronavirus" and "#WeAreBristol".
