DATA PROTECTION REGULATION - You may not be aware but the General Data Protection Regulation (GDPR) came into force in May 2018. We are required to conduct due diligence for all parents to be aware of the regulation and how it affects their child and the way the school deals with their personal data. Under the regulation we have a responsibility to ensure to the best of our ability that any personal data held is up to date. We would ask that should any of your personal data change i.e. telephone number, address, medical needs etc that you please inform the school as soon as possible so we can update our records. You will still receive an annual data collection sheet every September but we would ask you not to wait but inform the school of any changes immediately.

### **New campaign helps mums get more active**

Looking after yourself and getting some regular exercise is tough when the kids are small. If you do get a few spare minutes, it's hard to know where to start.

If that sounds like you, check out our website encouraging and supporting mums to take small steps to becoming more active.

Whether it's a walk round the block, 10 minutes hula hooping, or a kitchen disco while cooking the tea – it all counts.

Meet the inspiring Bristol mums taking their own small steps and find an activity to suit you at <https://www.bristolgirlscan.co.uk/> and [Facebook community group](#).
