Your School Needs You! - New Parent Governor Needed

Would you like to be more involved in your child's education?

If you would, why not consider becoming a school governor a vacancy for a parent governor at our school.

What do school governors do?

- Oversee the budget
- Help recruit staff
- Monitor the performance of the school, e.g. in key stage tests
- Advise on school policies and procedures
- Provide a vital means for parents and the community to get their views heard by the governing body as a whole

You will need an interest in the school and in the welfare of our children and the time and willingness to get involved. Further information will be sent out after the school holidays but do get in touch with the school office if you would like to discuss this role further.

Red Nose Day

Next Friday 18th March is Red Nose Day. On request of the children they would like to raise money by having a non-uniform day. You can wear red accessories, clothes, socks, superhero capes, sports kits...if it is red go for it! Bring donations to put in the buckets on the gate in the morning. £1 suggested but donate what you can! Thank you for everyone who bought a red nose - we have now sold out. If you would still like to buy a red nose or try to collect the whole set - you can find them in your local supermarket.

See you on the 18th!

Morrisons Good to Grow

Thank you to Morrison's and everyone who collected Good to Grow tokens for us. Our order has arrived and Gardening Club are looking forward to planting and growing. We can't wait to eat our fruit and vegetables later in the year.

What's Been Happening this Week?

Year 1 had a lovely time exploring fire safety with Avon and Somerset Fire Brigade. They learned different ways to keep themselves safe in an emergency. To finish their learning, they had a go using the fire hose!

Year 3 had a fantastic day travelling back in time to understand the life of an Ancient Egyptian! They learned all about the pharaohs and gods, how to read and write hieroglyphics and created their own scarabs out of clay. They also had the chance to look at some fascinating artefacts!

Another fantastic week for sport at Fair Furlong. This time taking in our first home game in football for many years. Although it wasn't the result the boys were hoping for we are all so extremely proud of them! Filip Wilk our goal keeper reviewed man of the match with some outstanding goalkeeping. It was

also great to have parents back on site supporting the children and created a real buzz on site! Well done boys and keep it up. We are looking to provide our football teams with new kits this year.

If any parents would like to support with sponsorship in helping our teams, please contact Mr Stevens via the school office.

NATALIE'S WEEKLY WELLBEING TIPS

Calming Technique 2

This is another helpful game you can play to help you feel calm and to focus on the present. You can think these, say them out loud, write them down - whatever works for you!

DATA PROTECTION REGULATION - You may not be aware but the General Data Protection Regulation (GDPR) came into force in May 2018. We are required to conduct due diligence for all parents to be aware of the regulation and how it affects their child and the way the school deals with their personal data. Under the regulation we have a responsibility to ensure to the best of our ability that any personal data held is up to date. We would ask that should any of your personal data change i.e. telephone number, address, medical needs etc that you please inform the school as soon as possible so we can update our records. You will still receive an annual data collection sheet every September but we would ask you not to wait but inform the school of any changes immediately.
