Your School Needs You! - New Parent Governor Needed

Would you like to be more involved in your child's education?

If you would, why not consider becoming a school governor a vacancy for a parent governor at our school.

What do school governors do?

- Oversee the budget
- Help recruit staff
- Monitor the performance of the school, e.g. in key stage tests
- Advise on school policies and procedures
- Provide a vital means for parents and the community to get their views heard by the governing body as a whole

You will need an interest in the school and in the welfare of our children and the time and willingness to get involved.

What's Been Happening this Week?

This week has been a fantastic week of sport at Fair Furlong! Our girls and boys football 1st team both competed in the South Bristol League. The boys had a cracking game, showing some fantastic team spirit and resilience. Our

strikers Beau Lilley and Mahmoud Etayari were out in force against a very strong goalkeeper and created some brilliant opportunities. Ford Griffin took player of the match with his pure energy in defence. Our girls team, who have only played together a few times since Christmas, had a strong game bringing home a 6-0 against Oasis Connaught.

The girls are really working hard together as a team and their focus on resilience is really paying off. Isabelle Sullivan was an absolute force on the field making some brilliant tackles and received player of the match.

Additionally, we had a very exciting event take place this week! Paul Sturgess, otherwise known as The World's Tallest Basketball, Britain Tallest Man and ex Harlem Globetrotter came to visit and provide some amazing enrichment for the school. Paul has also acted in Doctor Who and has recently finished filming for Avatar 2 and the new Lord of the Rings series. His assembly was electric and was an inspiration to the children. It was fantastic to see the excitement buzzing throughout the school.

The nursery children looked fantastic this week in their Easter Bonnet Parade! Great effort was clear to see with such wonderful designs.

Anger Iceberg

Often anger is the emotion that gets noticed the most but often we're just angry on the surface and it could be being caused by lots of difficult emotions.

KIDS IN THE WILD

IS YOUR CHILD 9-11 YEARS OLD?

DO YOU WANT YOUR CHILD TO HAVE THE ULTIMATE SUMMERTIME ADVENTURE?
ARE YOU FED UP WITH SEEING THEM INSIDE ON SCREENS?
DO YOU THINK THEY WOULD BENEFIT FROM TIME SPENT IN THE WILDERNESS?

Channel 4 and the producers of *Junior Bake Off* are making a brand-new series and are looking for children aged 9-11 to spend two weeks camping in nature this summer.

By encouraging independence outdoors, we will explore the relationships and skills children develop when put to the test.
