Your School Needs You! - New Parent Governor Needed

Would you like to be more involved in your child's education?

If you would, why not consider becoming a school governor a vacancy for a parent governor at our school.

What do school governors do?

- Oversee the budget
- Help recruit staff
- Monitor the performance of the school, e.g. in key stage tests
- Advise on school policies and procedures
- Provide a vital means for parents and the community to get their views heard by the governing body as a whole

You will need an interest in the school and in the welfare of our children and the time and willingness to get involved.

After School Club - CLOSURE DATES for your diary

Please note that there will be no After School Club on:

Thursday 21st July - last day of term

If you or your family are affected by symptoms of Covid 19 please do let the school office know so we can respond accordingly in school.

DATA PROTECTION REGULATION – You may not be aware but the General Data Protection Regulation (GDPR) came into force in May 2018. We are required to conduct due diligence for all parents to be aware of the regulation and how it affects their child and the way the school deals with their personal data. Under the regulation we have a responsibility to ensure to the best of our ability that any personal data held is up to date. We would ask that should any of your personal data change i.e. telephone number, address, medical needs etc that you please inform the school as soon as possible so we can update our records. You will still receive an annual data collection sheet every September but we would ask you not to wait but inform the school of any changes immediately.
