This week at Fair Furlong

Healthy and Safe Week SPECIAL

What a beautiful view in the sunshine!

Notices

Year 6 Transition Week

Good luck to our year six children who will be on transition visits to their secondary schools in the next few weeks. The children will need to go directly to their secondaries on these days and do not need to come to Fair Furlong first.

Merchants Academy 29th - 30th June

Bedminster Down 4th - 8th July

Chew Valley 5th July

Oasis 7th July

PE Days this term

Year R - Monday	Year 1 - Wednesday
Year 2 - Thursday	Year 3 - Thursday
Year 3 Swimming - Tuesday	Year 4 - Thursday
Year 5 - Wednesday	Year 6 - Tuesday
	Year 6 Swimming - Thursday

After School Club - CLOSURE DATES for your diary

Please note that there will be no After School Club on:

Thursday 21st July - last day of term

Your School Needs You! - New Parent Governor Needed

Would you like to be more involved in your child's education?

If you would, why not consider becoming a school governor a vacancy for a parent governor at our school.

What do school governors do?

- Oversee the budget
- Help recruit staff
- Monitor the performance of the school, e.g. in key stage tests
- Advise on school policies and procedures
- Provide a vital means for parents and the community to get their views heard by the governing body as a whole

You will need an interest in the school and in the welfare of our children and the time and willingness to get involved.

Below is the Unique Voice holiday club that we normally offer during the holidays. Places are allocated primarily to those in receipt of Free School Meals. Can you please let the school office, Mrs Charlton or Mrs Lewis know by the 5th July if you would like a place.

Your child has been selected by their school to take part in a free Unique Voice Summer Holiday Programme. Sessions will be running for 5 weeks over the Summer Holidays. We are currently offering one week per child.

Once we have received your contact information we will be in touch to organise programme registration.

Your child will be taking part in performing arts activities, games, creative activities and art. All activities designed to increase confidence, social skills and play!

Children are provided with free lunches and snacks.

Indoor and outdoor play in all sessions.

Run by highly skilled, DBS checked and first aid trained Unique Voice facilitators.

Available to children selected by your school or agency aged 5 - 11 years old.

Unfortunately at this time, we are unable to support children who require 1:1 support at our programmes.

10.00 - 2.00pm Daily

Contact Becky at beckyh@uniquevoice.org or call 01174286240 for registration support.

This provision has been supported by funding from Bristol City Council

What's Been Happening this Week?

Well what a fantastic week we've had in school! We've had lots of activities for Healthy and Safe week - we've learnt so much! All of the children also had great fun taking part in sports day and we were so lucky to have beautiful weather too. It was lovely to see so many parents and carers coming to school to cheer all of the children on - thank you all.

GB Athlete

Our children were lucky enough to be visited by a GB athlete. Robert Mitchell, who competes in high jump, came in to talk to the children about his journey to being a professional athlete and how he overcame his challenges to achieve his dream. The children took part in some high

intensity fitness activities and it was great to see everyone outside having fun and showing such a positive mindset to exercise!

Commonwealth Games Enrichment

To finish off the sports events for our healthy and safe week the children took part in a Commonwealth Games training event. In the activities all the classes did a carousel around a range of exercises including boxing, swimming, cycling and handball that showed them a small part of how the athletes prepare for their events. It was a brilliant way to end the week with Progressive Sports, who delivered the session, saying Fair Furlong was one of the best schools they have delivered in, with enthusiasm through the roof!

Healthy Schools and Modeshift Stars

We also have some fantastic news to end our Healthy and Safe Week with Fair Furlong being awarded the Bristol Healthy Schools Award and the Bronze Modeshift Stars Award. These have been awarded for the commitment and ethos that we as a school believe the children should be leading healthy, active and safe lives. We would like to thank everyone including staff, parents and the children of Fair Furlong for being part of these prestigious awards!

<https://www.bristol.gov.uk/coronavirus/what-you-need-to-know>

If you or your family are affected by symptoms of Covid 19 please do let the school office know so we can respond accordingly in school.

ACT - A new website has been launched which is aimed at families, friends and communities to increase the awareness of the signs of radicalisation, where to go to for help and support and to increase understanding and confidence in the referral process. <https://actearly.uk/> Also being launched is a National Prevent advice line for friends/family/community members to call - 0800 011 3764

DATA PROTECTION REGULATION - You may not be aware but the General Data Protection Regulation (GDPR) came into force in May 2018. We are required to conduct due diligence for all parents to be aware of the regulation and how it

affects their child and the way the school deals with their personal data. Under the regulation we have a responsibility to ensure to the best of our ability that any personal data held is up to date. We would ask that should any of your personal data change i.e. telephone number, address, medical needs etc that you please inform the school as soon as possible so we can update our records. You will still receive an annual data collection sheet every September but we would ask you not to wait but inform the school of any changes immediately.

#WeAreBristol

If you develop one or more symptoms:

- a high temperature
- a new, continuous cough
- a loss or change to your sense of smell or taste

Get a test and self-isolate until you get your test result.
