This week at Fair Furlong

Notices

Very warm wishes to Miss Berry who has had her last day today before maternity leave. We've played fun games in class today guessing the baby's name.

With an amazing mix of suggestions; will anyone be right? We've also voted whether we think it will be a boy or girl as it's going to be a surprise! We can't wait to meet the newest member of Fair Furlong and look forward to seeing you back soon.

What's Been Happening this Week?

Down in the forest this week Holst Class came to explore, they learnt to keep the forest, their friends and themselves safe. They explored the forest looking high up in the trees using old CD's, made their own forest journey, found bugs, bugs and more bugs and created art using different colour leaves. Great climbing and super exploring. What could you do outside this weekend?

This week Coleridge Taylor class in Year 4 went on a very exciting trip to the Bristol downs. The children became Mammal Detectives on their trip. They found out about different mammals that might be found on the downs and considered what hints and clues as to their existence that they may leave behind. These included things such as nests, animal poo, food remains and footprints. Using their identification sheets, they followed a trail around the downs to spot clues and work out what animal may have been there. We finished off our trip by enjoying our lunches on the downs before making our way back to school.

Year 3 have had a great week exploring plants and their functions. They have observed plants in our forest area and have carried out practical experiments to observe water transportation.

We've been blown away by this beautiful writing from Year 5 - can you spot if they're yours?

"I'm going to the shops!" Mum called up the stairs as she picked up her keys and got into the car,

"C'mon you Reds!" Screamed the fans excitedly and enthusiastically.

"~~What~~ We're in an awful situation!" Tom moaned as he flopped onto the sofa.

"I agree," said Alice while she was walking around.

"Who is it?" Tom eagerly said as he got all excited.

"I'm not sure if I'm - I can tell you that," Alice replied as she sat on the window seat.

"You can trust me," said Tom looking all around.

"I'll be really really careful, stay quiet ~~and~~ and let me think," Alice ordered.

"I can help lunch." But I know someone who can help may be she can help us? Alice walked into the front room.

"Who is it?" Tom asked eagerly as he took his nose.

"I'm not sure I can tell you," Alice replied as she scrolled through her phone.

"You can trust me," said Tom as he took her phone away.

"I'll be really careful," Tom muttered as he jumped onto the sofa.

"I'm going to the shops!" Mum called up the stairs as she unlocked the door.

"Comon you reeds!" screamed the fans as a Mexican wave went round the pitch -

"We're are in an awful situation!" Tom moaned as he put his face in his hands. "I agree" Alice replied as she consoled Tom. "But I know of someone who can help." Alice continued. Tom's head rose from his hands as he persuaded Alice to tell him. "I am not sure I can." Alice replied as she put on her thinking face. Tom begged as he asked for a name. "You can trust me," Tom begged. "I'll be really careful."

"Stay quiet and let me think" Alice ordered as she paced around the room.

Achievements Outside of School

Ella Hegarty is raising money for the little princess trust by chopping off 12 inches of her hair and donating it!!

This is such a lovely thing to do and we're super proud of you!

Ella would like raise money towards a wig as well as sending her stunning hair to the charity. If you would like to support her - please follow:

These are just a selection of a huge collection amazing trophies and awards that Micky Griffin

has won for his participation in motorbike racing. He assures us that you don't have to be really brave to race a motorbike just be dedicated and practice lots - we'll rely on his expert opinion (But we think he's just a little bit brave!) He's so tall that he's moved up to the 65 category which is usual for older children and he's already acing it. Keep up the excellent work Micky!

DATA PROTECTION REGULATION - You may not be aware but the General Data Protection Regulation (GDPR) came into force in May 2018. We are required to conduct due diligence for all parents to be aware of the regulation and how it affects their child and the way the school deals with their personal data. Under the regulation we have a responsibility to ensure to the best of our ability that any personal data held is up to date. We would ask that should any of your personal data change i.e. telephone number, address, medical needs etc that you please inform the school as soon as possible so we can update our records. You will still receive an annual data collection sheet every September but we would ask you not to wait but inform the school of any changes immediately.

New Stay and Play

There is a new stay and play launching for parents and children ages 0-4 in St Andrews Church, just behind the Symes building/Morrison's in Hartcliffe.

A free space to encourage positive play and hopefully encourage friendship and community amongst parents in the area. As it starts to get colder, we are considering doing warm breakfasts as well (once we have an idea of numbers), as well as signposting to other services and potentially long term even a toy/baby library.

We are running every Thursday in term time, starting this week, from 9-10:45.
