School Census Day - Thursday 6th October

This is an important day of the school calendar as the amount of children enjoying school dinners on this day will form part of our funding for the next school year. This means we'll be enjoying Fish Fingers and Chips, Meat-Free Nuggets, Jacket Potato or Tomato Pasta and we always have lot of fun for our census day lunch. We encourage you to make a note in your diary and send your child in for school dinners on this day please. Every child who has a school meal has the chance to win a raffle prize!!

We will have Thursday's menu on Friday.

Harvest Festival

HARVEST FESTIVAL ASSEMBLIES
FRIDAY 7TH OCTOBER AT
9.15AM FOR RECEPTION, YEAR 1, YEAR 2 AND YEAR 3
10.15AM FOR YEARS 4, 5 AND 6

Families are warmly invited to attend one or both of our Harvest Festival Assemblies this year.

This year the donated goods will go to the Withywood Church Food Bank. They would like donations of dried goods e.g. rice, pasta, beans and pulses, tins and jars as well as soaps, flannels and tooth brushes etc. Please ensure all items are unopened and in date.

We always have a wonderful response and we thank you in advance for your contribution in supporting this much needed local charity for our community.

Pre-loved Uniform

We have lots of pre-loved uniform looking for a home. Going forward, on dry days - uniform will be outside on a Thursday for you to take should you need any.

E-Safety Update - Roblox - New Age Rating and Parental Controls

Roblox is an incredibly popular games across all ages, but particularly children. Until now Roblox has been rated 10+ by ESRB and 7+ by PEGI. This has changed to 'Teen' by ESRB and 'PEGI ! Parental Guidance Recommended' by PEGI. Additionally, Roblox is introducing more parental controls to filter different experiences dependent on the age of the user. This is an interesting and welcome development due to the incredible amount of user-generated content within Roblox, and a change that I'm sure many parents will welcome.

What's Been Happening this Week?

Golden Lunchtime Table

Congratulations to this week's Golden Lunchtime Tables for the children in Y1-Y6. Finley James, Hallie Brown, Darleene Gill, Kolby Brooks, Jamie Star Aherne, Kayden Williams-Hathway, Jaiden Whitfield, Dalton Viner, Jake Whitfield & Sophia Higginson

Each have shown good manners, good listening, trying new food etc.

On a Friday afternoon 3 names are pulled out from each year group (Y1-Y6) put and then on a Monday these children get the chance to have their dinner early, sit at the

Golden Table using golden cutlery and be served with fizzy water to drink

Year 3, have been putting their acting skills into practice this week to act out our mystery story. They have been asked to freeze in a frame to retell key events in the story.

After School Club enjoyed honeyed apples; a traditional dish to celebrate Rosh Hashanah. This is the Jewish New Year when red apples and honey are eaten to celebrate health, happiness and promote sweet thoughts.

Tallis Class ventured into the forest today, they investigated the colours in the forest matching them to the natural items around them. They completed a tree top walk without even bending their heads. They learnt about safely climbing trees, remembering only to

climb onto branches that are wider than their wrist and climbing to about the same height as themselves. I wonder if they can use their skills when they are out and about.

Year 3 had an exciting day at Folly Farm. They explored the pond to find minibeasts and managed to find lots of different creatures! They also explored the woods and made a safe home for a doormouse!
