## What's Been Happening this Week?

### Golden Lunchtime Table

Congratulations to this week's Golden Lunchtime Tables for the children in Y1-Y6.

Alivia Sanderson, Harley Slane, Nour Mohamed, Tayah Weber, Elijah Trimnell, Shanaya Baldock, Holly Hoskin, Elsie Steadman, Layla Thatcher, Nadia Korczewska

Each have shown good manners, good listening, trying new food etc.

On a Friday afternoon, three names are pulled out from each year group's (Y1-Y6) pot and then on a Monday these children get the chance to have their dinner early, sit at the Golden Table using golden cutlery and be served with fizzy water to drink

Y2 enjoyed Bristol WOW! Day looking at the Thecodontosaurus - also known as the Bristol dinosaur. We then became dinosaurs and palaeontologists by pretending to move like a dinosaur then analysing the footprints.

In Tallis Class we became curious about our carrots and wanted to see if they could grow some foliage again. Here they are in some water. Feel free to look through the window to see how they're getting on!

Beethoven Class had a fab, but a little bit chilly, trip to the forest this week. As part of the Bristol Wow Day, they had been learning all about Brunel so they were challenged to build the tallest tower to hold an

egg for at least 10 seconds. They then built a bridge to hold a water bottle for 20 seconds. They worked fantastically as a team and built super structures. Well done Year 5 even if you did get a bit muddy!

Breakfast club  
celebrated Chinese  
New Year this  
week with some  
scrummy  
breakfast foods to  
try.

We enjoyed census day fish fingers yesterday with some familiar characters. Thank you for supporting the school - it was lovely to welcome so many for school dinner.

We're sure your children have told you all about Bristol WOW Day this week. The year 1 children were lucky enough to go on a site seeing trip around

Bristol - the highlight was the suspension bridge. They then had great fun building bridges in class.

Year 6 enjoyed taking part in an electricity workshop. It was so good, it made our hair stand on end! The workshop helped us to gain a greater understanding of the trials and tribulations of Dr Frankenstein.
