What's Been Happening This Week?

On Tuesday, all of our Term 4 Star Writers, Readers, and Handwriters went on their reward trip to Waterstones in Cribbs Causeway. There were some difficult decisions to be made, as there were so many incredible books to choose from, but in the end they all got something lovely! It was a wonderful trip, and we were all very proud of them. A huge well done again. Who will it be next time?

Congratulations to this week's Golden Lunchtime Tables for the children in Y1-Y6.

Royah Bella Baldock, Harper Rose Hulcoop, Remy Trent Kerr, Daisy Mai Perrott, Freddie Bourton, Logan Kennedy, Boe Bowden, Louis White, Jake Whitfield, Lily Rose Slane.

Each have shown good manners, good listening, trying new food etc.

On a Friday afternoon, three names are pulled out from each year group's (Y1-Y6) pot and then on a Monday these

children get the chance to have their dinner early, sit at the Golden Table using golden

cutlery and be served with fizzy water to drink

*Year 3 have had an exciting week looking at light, reflection and shadows.
We then enjoyed exploring light in the Explorer Dome*

Holst class were lucky enough to visit the forest for their second session. They searched high and low for signs of spring. In class they have been learning about Jack and the Beanstalk. Because the beanstalk was cut down, reception built their own towers for Jack. They spent time climbing, digging and planting some new beanstalks!

Nervaeh has not one, but two medals for her fantastic rugby playing!

We also have an extra special award to share with you. Landon has become the youngest person ever to receive a medal from the Lord Mayor of Bristol. Landon runs a Lego club once a week that has been super successful. Year 6 have interviewed Landon about his award - please see this below

Interview with Landon Maynard: Winner of the Lord Mayor's Medal

Landon, you have won the Lord Mayor's Medal. What for?

A Lego club I run and because the medal is given to those who do community work.

Tell me about the Lego Club?

So, I started it last year in April, there were about 10-20 people at first but then it started to expand so we had to move premises and now there are about 50 people who come.

How did the Mayor hear about your club?

Because I got nominated by someone. I don't know who?

How do so many people know about your club?

Because I made posters and put them up and my mum advertised on social media?

Where did you get the Lego from?

I got donations and funding from the rotary club.

What happened when you got your medal?

I had to go to the Mayor's Mansion where I received my medal with loads of other people. I was the youngest person ever to win one!

What made you decide to run a Lego club?

Because I feel like everything has been given to me and I wanted other children to have the same privileges that I do.

What's the Medal made of?

Silver

That's amazing Landon. I want to come to your club. Where and when is it?

It's on Tuesday's at 4 o'clock at the community centre near Merchants Academy.
