This week at Fair Furlong

Year 6 SATs

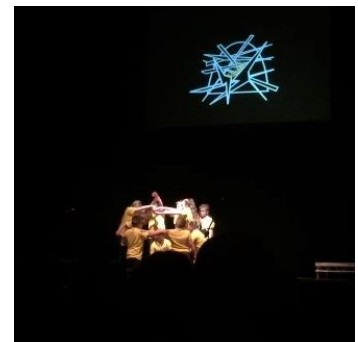

We were very proud of our Year 6 children this week, they all tried their very best in their SATs tests. Thank you to all the brilliant parents who ensured they were well rested and arrived in school well prepared for the day.

Colston Hall - What Would You Do?

Over the past couple of terms our year 5 children have been working with Unique Voice and Crimestoppers on topics such as Health

Relationships, Cyber Bullying, Hate Crime, Diversity and more. The children explored these themes and how Crimestoppers can help through drama. In school the year 5 children took part in games, performances, writing poems, being recorded, expressing their views on the above themes and a performance at Colston Hall. 11 children were selected, and this was incredibly difficult as all children showed true dedication to the workshops. The selected children performed, alongside 4 other schools, live on the stage at Colston Hall, with the filmed footage of their school based workshops being shown in the background. This was a fantastic opportunity for our children and we massively appreciate all the support shown by many families and friends who attended.

Each child has been awarded with a unique Crimestoppers medal, and we hope that if they ever felt scared or worried about a situation, or just knew it was not right, they would think and call Crimestoppers to report.

Crimestoppers is free and 100% anonymous. If you are concerned or worried about illegal activity, be it in relation to unhealthy relationships, hate crime, cyber bullying or another issue your information will be taken seriously and may add to the missing piece of the puzzle. If you have a concern and you want to share it then please call 0800 555 111
